100 YEARS OF FASCISM AND ANTIFA MOVEMENTS AROUND THE WORLD

Friday 
October 12, 7PM
(Doors open at 6:30PM)

CEDA, 
2515, Rue Delisle
Métro Lionel-Groulx

In this stirring graphic non-fiction book by the author of *The 500 Years of Resistance Comic Book*, Gord Hill looks at the history of fascism over the last 100 years, and the concurrent antifascist movements that have worked fastidiously to topple it.

Fascism is a relatively new political ideology, yet in its short history some of the greatest atrocities against humanity have been carried out in its name. Its poisonous roots have taken hold in every region of the world. Today, emboldened by the American president, fascism is alive and well again. At the same time, antifascist activists have proven, throughout history and again today, that the spirit of resistance is alive and well, and necessary.

In *The Antifa Comic Book*, Gord Hill documents these powerful moments of conflict and confrontation with a perceptive eye and a powerful sense of resolve.

Includes a foreword by Mark Bray, author of *Antifa: The Anti-Fascist Handbook*.

The book will be presented by Gord Hill.
